Marv,

If possible I'd like to make a public records request. Specifically, I'd like to request a copy of the inspection report for an inspection ISDA inspectors conducted earlier this week (Monday). A couple of weeks ago, I forwarded to you a complaint regarding a small beef cattle facility located at approximately East Fork Road and Road Creek Road near Clayton, ID. I'd like to get a copy of the inspection report and any photos that your inspectors took following up to that complaint that I forwarded. Please let me know if you have any additional questions.
